## **Christmas Celebration**

Here's to you baby May Christmas bring you happiness Oh here's to you baby May Christmas bring you happiness I want you to have a good time Like we did on all the rest

Yeah, Merry Christmas baby, Happy New Year Have fun because Christmas don't come but once a year Here's to you honey May Christmas bring you happiness I want you to have a good time Like we did on all the rest

All the presents my love, under the Christmas tree Remind me of your love that means so much to me Here's to you May Christmas bring you happiness I want you to have a good time baby Like we did on all the rest

We'll enjoy ourselves together, Christmas dinners and everythin g We'll share every little pleasure every Christmas brings Here's to you May Christmas bring you happiness I want you to have a good time Like we did on all the rest

I wanna be home with you baby when New Years roll around We'll make our resolutions before the sun goes down Here's to you honey May Christmas bring you happiness I want you to have a good time Like we did on all the rest
