Yes it's been so long since I've seen my baby's face Well it's been so long since I've seen my baby's face I'm tellin' you people, no one else can ever take her place

Yes the doorbell is ringing, I know there must be somethin' wro ng

Yes the doorbell is ringing, I know it must be somethin' wrong Well looka here it's my baby, she's done changed her mind and c ome home

So hurry baby, come on in and close the door Yes hurry baby, come on in and close the door Let me put my arms around you baby, so my nights won't be dark no more
