From The Bottom

B.B. King

From the bottom, take 1

From the bottom
From the bottom
From the bottom
Oh boy, I'm Hollywood bound

From the bottom
From the bottom
From the bottom
Oh boy, I'm Hollywood bound

Little girl is not from the East
And she's not from the West
But I'm so crazy 'bout her
I like the way she wears her dress

From the bottom
From the bottom
From the bottom
Oh boy, she's Hollywood bound

Yeah, she's not from the south
Woh, she's not from the north
Every time my baby love me
I holler Lord, oh Lord

From the bottom
From the bottom
From the bottom
Oh boy, I'm Hollywood bound

Oh, she's just my color
And she's just my kind

That little girl is fine

From the bottom
From the bottom
From the bottom
Oh boy, she's Hollywood bound
