

It Takes A Young Girl

B.B. King

It takes a young girl
To make an old man smile
It takes a young girl
To make an old man fly
Why should it take a young girl to bring it
To this old heart of mine
It takes an old man to long to explain
How a young girl can play an old game
That's how it is
She is yours and then she inst
It's always, always the same
It's been ten years, ten years
Since I've tried
Why should it take an young girl to bring it
To this old heart of mine
