

Life Ain't Nothing But a Party

B.B. King

Life ain't nothing but a party
Tomorrow too soon is yesterday
If you take it that way
You gonna make it that way
And the party still goes on and on
And oh it ain't nothing but a party

Life ain't nothing but a party
Better find yourself and gather together totally
If you treat it that way and just needed half way
The party goes on and on and on and on
Ain't nothing but a party

Lasts for breakfast and some for dinner
And if you listen real close babe
It'll only end up in a pinner winner
You know life life ain't nothing but a party
Tomorrow too soon is yesterday
If you live it that way and don't give it away
The party still goes on and on and on
I feel nothing but a party

Laugh you righteous seeing you sinner
And if you listen real close babe
Gonna end up in a winner
I said life life ain't nothing but a party
Tomorrow too soon is yesterday
If you live it that way
And don't give it away
The party goes on and on and on
Life ain't nothing but a party
Nothing but a party
Nothing but a party
Nothing but a party
Ain't nothing but a party
It ain't nothing but a party
