

## Neighborhood Affair

B.B. King

The Neighbors all miss you my darling  
I walk alone how they stare  
They just can't understand why we too changed up our plans  
It's a neighbor, hood affair

I stop at a tour favourite place for a soda  
And all of our friends was there  
The gossip was free  
Oh, about you and me  
It's a neighbor, neighborhood affair

Our romance you see  
Had grown to be  
Oh, part of our little community  
Until you've, you've found somebody new  
And you said our romance was true

Oh, but if you should have  
A change of heart, dear  
And you think we still can make a pair  
Everything's ok with me, darlin'  
You name the day  
And the neighbors, they will be there  
We'll have a neighborhood affair

Yes, if you should have  
A change of heart, dear  
And you think we still, we still can make a pair  
Everything's ok with me, darlin'  
You name the day, hey  
And the neighbors, neighborhood affair  
Hey, I said they all would be there  
We'll have a neighborhood affair  
Hey, invite them all  
And we'll have a neighbor  
Neighborhood, neighborhood affair
