

## Past Day

B.B. King

Well, this past day, darlin'  
I don't have to cry no more  
Well, this past day, darlin'  
I don't have to cry no more  
Well, I found my baby  
Don't have to walk from door to door

Well, I look around me  
Lord, my baby can't be found  
Well, I look around me  
Lord, my baby can't be found  
Well, I don't have to walk around no more  
Don't have to go down to the bowlin' ground

Oh, I'm sayin' goodbye  
Well, I don't say goodbye no more  
Oh, I'm sayin' goodbye  
Well, I don't say goodbye no more  
Well, I found my baby  
Don't have to walk from door to door
