Please Set a Date

B.B. King

Hey baby, baby please set a date
Hey baby, baby please set a date
Well, don't say tomorrow
'Cause tomorrow is too far away

Now, when I want some lovin'
I really want it bad
But the way you've been doin' baby
You really makes me mad
Hey baby, baby please set a date
Well, don't say tomorrow
'Cause tomorrow is too far away

Now, when I want some lovin'
My face gets full of frowns
Now baby, if you don't hurry
I'm going to leave your town
Hey baby, baby please set a date
Well, don't say tomorrow
'Cause tomorrow is too far away

Now, when we first met, baby
We swore we wouldn't part
But the way you're doin' me lately
You're really breakin' my heart
Hey baby, baby please set a date
Well, don't say tomorrow
'Cause tomorrow is too far away
