

## So Excited

B.B. King

Oh, I'm so excited, think about you all the time  
Yes I can't wait to see you baby  
You really best of my mind,  
You're so fine, wanna hold you all the time

Oh, when you touch me baby, tears of joy I'm crying  
Oh, when you hold me, chills run up and down my spine  
You're so fine, think about you all the time

Yes, I'm so excited, I met peace with the world  
Oh, can this love be real?  
I'm talking about my new, new love  
You're so fine baby, wanna love you all the time

Hey, I'm so excited, don't know what you're doing myself  
Oh, I'm so happy baby, don't need nobody else  
You're so fine baby, think about you all the time

Yes, when I look in your eyes, you put me in a trance  
Oh, I just shake all over baby, I fell like I wanna dance  
You're so fine baby, wanna hold you all the time

How can this be a dream, can this really happen to me?  
Oh, I surely loved at last, seems like a fantasy  
You're so fine baby, wanna hold you all the time

Oh, I thought I've been in love, so many many times  
Oh, but this new love, has really messed up my mind  
You're so fine, think about you all the time

You're so nice and lovin', everything you do it right  
I just can't wait, I can't wait baby  
Can't wait for you hold me tight  
You're so fine, wanna hold you all the time
