## **Worried Life Blues**

Oh lordie lord Oh lordie lord It hurts me so bad for us to part But someday baby I ain't gonna worry my life anymore

So many nights since you've been gone I've had to worry and grieve my life alone But someday baby I ain't gonna worry my life anymore

So many days since you went away I've had to worry night and day But someday baby I ain't gonna worry my life anymore

Yoo're on my mind every place I go How much I love you nobody knows But someday baby I ain't gonna worry my life anymore

So that's my story This is all I got to say to you Goodbye baby I don't care what you do But someday baby I ain't gonna worry my life anymore

Oh lordie lord Oh lordie lord It hurts me so bad for us to part But someday baby I ain't gonna worry my life anymore
