

You Never Know

B.B. King

Yeah, you never know how you hurt me, baby, how bad I feel inside

Oh, you never know how you hurt me, woman, how bad I feel inside

I believed you when you said you loved me, oh, but I know you lied

Oh, when I lay down in darkness, I keep hearin' your sweet voice

When I lay down in darkness, baby, I keep hearin' your sweet voice

And I remember your church, woman, oh, and how I rejoice

I know the people are talkin', baby, but I don't care what they say

I realize that people talkin', baby, but I don't care what they say

I know I still love you, woman, and I want you home to stay

Yeah, if you ever change your mind, woman, won't you please come on home

Oh, if you ever change your mind, baby, won't you please come on home

Yes, I'm not good without you, baby and you're not good to me gone
