

# Bye, Bye Babe

B.J. Thomas

Well my temperature's rising, living rough  
Love's been haunting me  
Said I'm going insane, tied up again  
Who's controlling the reins

I said bye bye babe (Bye, bye babe)  
Bye, bye babe (Bye, bye babe)  
Love is gonna get you another day  
I said, bye, bye babe (Bye, bye babe)  
Bye, bye babe (Bye, bye babe)  
Is this living?

Well I'm down in the basement  
For a time, you are such a habit to me  
Turn my whole world around, upside down  
Tell me, how would you like to be me

I said bye, bye babe (Bye, bye babe)  
Bye, bye babe (Bye, bye babe)  
Love is gonna get you another day  
Bye, bye babe (Bye, bye babe)  
Bye, bye babe (Bye, bye babe)  
This burning inside (Gonna be the death of me)  
I don't know why (Love is laid a hold of me)  
This burning inside (Gonna be the death of me)  
Loving

I'm in a long restless war, tired of the gun  
You have loved me, I can't be afraid of your trigger finger  
I've been shot down before

I said bye, bye babe (Bye, bye babe)  
Bye, bye babe (Bye, bye babe)  
Love is gonna get you another day  
Bye, bye babe (Bye, bye babe)  
Bye, bye babe (Bye, bye babe)  
Love is gonna get you another day  
I said bye, bye babe (Bye, bye babe)  
Bye, bye babe (Bye, bye babe)  
Love is gonna get you another day  
I said bye, bye babe (Bye, bye babe)  
Bye babe  
Love is gonna get you another day

I said bye, bye babe (Bye, bye babe)  
Bye babe  
Love is gonna get you another day...
