

## From This Moment On

B.J. Thomas

My life was like a movie  
Was that really me  
Watching the world go by  
While I stayed in my seat  
I never made a stand  
As the years passed overnight  
My life was leading me  
Now I'm gonna lead my life

From this moment on  
It's all up to me  
To be what I can or what I can't be  
There'll be twenty-four finest hours every day  
From this moment on  
If I fall or if I stand  
It will be by my own hands  
It's my song  
From this moment on

A brand new beginning  
My first second chance  
To take hold of tomorrow  
And teach it how to dance  
I'll look at my mistakes  
As lessons to be learned  
I've watched while others shined  
Now this time it's my time

From this moment on  
It's all up to me  
To be what I can or what I can't be  
There'll be twenty-four finest hours every day  
From this moment on  
If I fall or if I stand  
It will be by my own hands  
It's my song  
From this moment on

From this moment on  
If I fall or if I stand  
It will be by my own hands  
It's my song  
From this moment on
