

# I Believe In Music

B.J. Thomas

I could just sit around making music all day long  
As long as I'm making my music ain't gonna do nobody no harm  
And who knows maybe I'll come up with a song  
To make people want to stop all this fussing and fighting  
Long enough to sing along

I believe in music  
I believe in love  
I believe in music  
I believe in love

Music is love and love is music if you know what I mean  
People who believe in music are the happiest people I've ever seen  
So clap your hands and stomp your feet and shake those tambourines  
Lift your voices to the sky tell me what you see.

I believe in music  
I believe in love  
I believe in music  
I believe in love

Music is the universal language, and love is the key  
To peace hope and understanding, and living in harmony  
So take your brother by the hand and come along with me  
Lift your voices to the sky, tell me what you see

I believe in music  
I believe in love  
I believe in music  
I believe in love
