

# I Lost Me

B.J. Thomas

Here, here tonight  
I have never felt so much alone  
As I'm feelin' here tonight  
And try, try as I might  
I can't stop this hurt inside  
There's no chance I will all might

'Cause you're not here with me  
I never thought I'd see the day that I would be  
Alone here, I'm a prisoner of my misery  
Such a fool, 'cause I lost me, the moment I lost you

Time, time's no friend  
'Cause each day is another lonely day  
Time is not my friend  
And wrong, oh so wrong  
There's no need to talk about it  
'Cause we both know who was wrong

And you're not here with me  
I never thought I'd see the day that I would be  
Alone here, I'm a prisoner of my misery  
Such a fool, 'cause I lost me, the moment I lost you

There's nothing I can say or do  
To change the things that I have said and done  
I spend another sleepless night  
Without you as I watch the rising sun

'Cause you're not here with me  
I never thought I'd see the day that I would be  
Alone here, I'm a prisoner of my misery  
Such a fool, 'cause I lost me, the moment I lost...

Everything, the moment I lost, I lost me  
The moment I lost you...
