

# I Wonder

B.J. Thomas

I wonder  
Wonder what I did to Mom and Daddy  
My Mom and Daddy  
They don't love me

And I wonder  
Wonder what I did to all the friends I had  
And the only girl I loved  
To all my dreams so high  
And all the days gone by  
They keep reminding me

My Mother and Dad  
The friends I've had  
The girl I loved  
They don't want me

The days gone by  
My dreams so high  
They don't care if I die

Neither do I  
Neither do I  
Neither do I  
Neither do I

Oh oh oh  
Oh oh
