Met you on a springtime day You were mindin' your life And I was mindin' mine too Lady when you looked my way I had a strange sensation And darlin' that's when I knew

That it's sad to belong to someone else When the right one comes along
Yes it's sad to belong to someone else
When the right one comes along

Oh I wake up in the night
And I reach beside me hopin' you will be there
But instead I find someone
Who believed in me when I said I'd always care

Oh it's sad to belong to someone else When the right one comes along Yes it's sad to belong to someone else When the right one comes along

So I lived my life in a dream world For the rest of my days Just you and me walkin' hand in hand In a wishful memory Oh I guess that's all that it would ever be

Wish I had a time machine I could

Make myself go back until the day I was born

And I would live my life again

And rearrange it so that I'd be yours from now on

Oh it's sad to belong to someone else When the right one comes along Yes it's sad to belong to someone else When the right one comes along

Oh it's sad to belong to someone else When the right one comes along Yes it's sad to belong to someone else When the right one comes along

Oh it's sad
Oh it's sad
Oh it's sad
Oh it's sad
