

# Maria

B.J. Thomas

Maria, how I love you, love you  
Nothing in my life above you  
Maria, with a heart that beats for me  
Maria, Maria, you're for me

Maria made my heart surrender  
Never tasted lips so tender  
Maria, with a smile that's meant for me  
Maria, Maria, you're for me

And when I'm feeling blue, she talks to me  
She makes me feel like a brand new man, she walks with me  
She talks to me, she understands

Maria made my life worth living  
Though I hurt her, she's forgiving  
Maria, you're a girl who's good for me  
Maria, Maria, you're for me

Maria, Maria, you're for me  
Maria, Maria, you're for me
