

Meditation

B.J. Thomas

In my loneliness
When you're gone and I'm all by myself
And I need your caress

I just think of you
And the thought of you holding me near
Makes my loneliness soon disappear

Though you're far away
I have only to close my eyes
And you are back to stay

I just close my eyes
And the sadness that missing you brings
Soon is gone and this heart of mine sings

Quem, chorou, chorou e tanto que o seu pranto já secou

I will wait for you
Til the sun falls from out of the sky
For what else can I do

I will wait for you meditating
How sweet life will be
When you come back to me

Quem no coração abrigou a tristeza de ver
Tudo isso se perder e na solidão
Procurou um caminho a seguiu já descrente de um dia feliz

Yes, I love you so
And that for me is all I need to know

I will wait for you
Til the sun falls from out of the sky
For what else can I do
I will wait for you meditating
How sweet life will be
A vida seria tão doce
When you come back to me

E a tristeza acabou
When you come back to me
E a tristeza acabou
I will wait for you
Ao amor, ao sorriso e à flor
Til you come back to me
E a tristeza acabou
I will wait for you
E a tristeza acabou
