

More Of You

B.J. Thomas

More of You
Lord that's the way it's got to be
More of You
Till there's no room left in me
All those wasted hours and minutes
They're Yours now
From the start to the finish
I need more of You
In me

More of You
Fill me with nothing less
More of You
Give me Your love
And the world can have the rest
I could never get enough
Of your grace, Your peace
Your warmth and Your love
Give me more of You
Dear Lord

There was a time in my life
When I thought I had it all
But all I really had
Was an achin' empty soul

And I need more of You
Dear Savior
More, more of You
More of You
Precious Jesus
Give me Your love
And the world can have the rest
I know I'll never get quite enough
Of your grace
Your peace, Your warmth and Your love
I need more of You
I need more of You
I need more of You in me
