

## Mr. Heartache Mender

B.J. Thomas

Mr. Heartache Mender  
Would you take the time  
To see if you can mend this heart of mine  
Take a look and see what you can do  
They say you know your business  
You've mended quite a few

Mr. Heartache Mender  
I need your help  
You know I just can't mend my heart all by myself  
Mr. Heartache Mender  
Won't you take me in  
Patch my heart so I can love again

Mr. Heartache Mender  
You better hurry now  
My heart is bleeding  
And I just can't slow it down  
Take a look, but do you think that it's too late  
Has anybody ever died of a heartache

Mr. Heartache Mender  
I need your help  
You know I just can't mend my heart all by myself  
Mr. Heartache Mender  
Won't you take me in  
Patch my heart so I can love again  
Oh oh

Mr. Heartache Mender  
I need your help  
You know I just can't mend my heart all by myself  
Mr. Heartache Mender  
Won't you take me in  
Patch my heart so I can love again

Mr. Heartache Mender  
I need your help  
You know I just can't mend my heart all by myself  
Mr. Heartache Mender  
Won't you take me in  
Patch my heart
