

## Pass It On

B.J. Thomas

One time a man was kind to me  
Just when I felt I'd waited way too long  
I felt so thankful I said, "What's the fee?"  
He said, "You pay it back when you pass it on"

He said I sung my song and proudly stood  
Spoke up when I thought things got out of hand  
Though evil often far outweighs the good  
It is just supply and demand

Pass it on, pass it on  
There are those who can use a little favor  
A kindness or two  
Pass it on, pass it on  
Take it off yourself and remember  
When you could use a little help yourself

You sat me down and said: "Kid, here is the deal"  
"People know if you're for real or not  
And it really doesn't matter how you feel  
Well, boy, get out there and give them all you got"

Pass it on, pass it on  
There are those who can use a little favor  
A kindness or two  
Pass it on, pass it on  
Take it off yourself and remember  
When you could use a little help yourself

Pass it on, pass it on  
Take it off yourself and remember  
When you could use a little help yourself

Pass it on, pass it on  
Take it off yourself and remember  
When you could use a little help yourself

Pass it on, pass it on  
There are those who can use a little favor  
A kindness or two  
Pass it on, pass it on  
Take it off yourself and remember  
When you could use a little help yourself

Pass it on, pass it on  
There are those who can use a little favor  
Some kindness or two  
Pass it on, pass it on...
