Play Something Sweet

B.J. Thomas

Well, I tried to run my game
She said "Man, that's the same old thing I've heard before"
And I'm too tired to go for your show
(Again and again)

And she started to explain
She said "Man, I ain't sayin'
What you're playin' just can't make it
But I can't take it anymore"

Play somethin' sweet, play somethin' mellow
Play somethin' I can sink my teeth in like Jello
Play something I can understand
Play me some Brickyard Blues

Play somethin' sweet and make it funky
Just let me lay back and grin like a monkey
Play something I can understand
Play me some Brickyard Blues

Well, I started to sweat
She said "Don't get upset
'Cause you just might break a string and that won't
Do a thing for your show"

So I said to myself
I said, "Self, do you see what is sailin' through my soul?"
And I gotta have some more, don't ya know

Play somethin' sweet, play somethin' mellow
Play somethin' I can sink my teeth in like Jello
Play something I can understand
Play me some Brickyard Blues

Play somethin' sweet and make it funky
Just let me lay back and grin like a monkey
Play something I can understand
Play me some Brickyard Blues

It's enough to make it light the dark
It's enough to make a bite just a bark
It's enough to make a body move around
It's enough to make a rabbit hug a dog

Play somethin' sweet
Well, I tried to run my game
She said, "Man, that's the same old thing I've heard before
And I'm too tired to go for your show"
(Again and again)

And she started to explain
She said, "Man, I ain't sayin'
What you're playin' just can't make it, but I
Just can't take it anymore"

Play somethin' sweet, play somethin' mellow
Play somethin' I can sink my teeth in like Jello

Play something I can understand
Play me some Brickyard Blues

Play somethin' sweet and make it funky
Just let me lay back and grin like a monkey
Play something I can understand
Play me some Brickyard Blues

Play somethin' sweet, play somethin' mellow
Play somethin' I can sink my teeth in like Jello
Play something I can understand
Play me some Brickyard Blues

Play somethin' sweet and make it funky
Just let me lay back and grin like a monkey
Play something I can understand
Play me some Brickyard Blues
