

The Faith of a Little Child

B.J. Thomas

Behold, I give you power
To tread upon serpents and scorpions
And over all the power of the enemy

And nothing shall by any means hurt you
And I will never, never desert you
For lo, I am with you
Forever and ever

And if you say unto this mountain
Be thou removed and be cast into the sea
It will obey you
If you have the faith of a mustard seed

You've got all the faith, all the faith you need
Walk along with the king
You can do anything
If you, if you have the faith of a little child

In my name shall demons flee
The deaf will hear and the blind will see
And ye shall speak with tongues of angels
And from your mouth I shall bring prophecy

Ye shall be like a watered tree
The pow'r of of God shall be in your ministry
And I will draw all men to me

And if you say unto this mountain
Be thou removed and be cast into the sea
It will obey you
If you have the faith of a mustard seed

You've got all the faith, all the faith you need
Walk along with the king
You can do anything
If you, if you have the faith of a little child

The King of glory reigns on high
In grandeur beyond the sky
And we shall greet him somewhere in eternity

His ways are higher than the eye can see
You know the King died for you and me
Though you may be a pauper or a millionaire
We'll all have an equal share

And if you say unto this mountain
Be thou removed and be cast into the sea
It will obey you
If you have the faith of a mustard seed

You've got all the faith, all the faith you need
Walk along with the king
You can do anything
Move those mountains with your faith in God
If you have the faith of a little child

He's all you need
If you have the faith talking about Jesus
If you have the faith reach out to him
If you have the faith of a little child

You can move those mountains
With your faith in God
If you have the faith
He's all you need

Just talk to Jesus
You've got to trust your faith in God
You can reach
Reach out to Him
