

# What Does It Take

B.J. Thomas

What does it take  
To win your love for me?  
How can I make  
This dream come true for me?  
Oh I just got to know  
Ooh baby, 'cause I love you so  
Come on, blow it for me

I've tried, I've tried, I've tried, I've tried  
In every way I could  
To make you see how much I love you  
Oh I thought you understood  
Oh I got to make you see  
What does it take to win your love for me  
Come on, blow it again for me

What does it take  
To win your love for me?  
How can I make  
This dream come true for me?  
Oh I just got to know  
Ooh baby, 'cause I love you so  
Are you gonna blow it for me?
