And sometimes I be high up, I never lend (I'm too high)

I'm a beast up in my section, don't wanna die young  
Yeah I had to get it out the mud, I'm from the slumps  
Heavy nightmares in my sleep, you don't know what I've done  
Was a monster early age and they created one  
I just wanna make it out and motivate my son  
Sometimes life get hard but nigga I don't never run  
And we poppin' in this bitch, it's time to put our arms up  
And we rockin' out this bitch, you already know we turnt up  
Lil nigga you's a lame, please don't get it fucked up  
I'ma let you in the game, all hunnids, no ones  
And these niggas always capping, you ain't dealing what you done  
Man you niggas talkin' shit but you ain't 'bout that action bro  
Then I stay with the team, we really make it happen huh  
My accounts, they adding up

I'm the life of the party  
Too many diamonds on my body  
She wanna ride me like a hardy  
I take the goat just like I'm signing  
Friends on my body, I'm feeling biotic  
I'm not a pian, I'm iconic  
I eat the bian, not on the biotic  
Young niggas standing just like a pilot
