Five hundred racks
I get cash, chasin' the coupe

We hit the top and there no falling out
Straight to the top, my only route
Never a question, never a doubt

Lookin' for handles, lil nigga quit buckin' me
Bitch shut the fuck up and quit to interupting to me
They want to study but nobody touchin' me
Diamonds on diamonds this AP be blindin' me
Tell me that nobody is stoppin' me
Whereever I go people spottin' me
I know that my momma is proud of me
Watch what I do, when I blow on a low
To the show, on a roll, with some hoes, we can pose
