

Act Bad

B-Lovee

It was love at first sight
I know from the way she looked at me
Her eyes said it all
[?] on the beat, this shit go stupid
Long days and nights, we spent (Graah)
Until she dropped the bomb on me (Graah, graah, uh huh)
When she said that she
Was unhappily married with children
DJ Swill B
And I wish I never—

I like how you look in them jeans
Might go and just get a Celine
We ballin', this shit not a dream
Like Spalding, this shit showin' green
I-I make it happen, for the team
Dior fabric, lookin' clean
She actin' bad, I get to clappin', like
All you gon' hear is her scream

She act bad, she got the ass in the booth
Off the Migos and D'us', she gon do what she do, like
They know how we step, she go left, better move right
In my cup it be topped, baby girl I don't do, like
Come and party and see what the goons like
It's a movie, we gon' get drunk and then fuck in Jacuzzi
Lil' shorty a cutie, the one that keep shaking the jatt with the tat on the
booty
She gon' get low and then give me that skully
Ski mask, .40 on me and my hoodie
Icy, let a nigga try to book me
That's what she like, she know I ain't no rookie
Catch an opp, I turn into a bully
B-b-back out and hit him with this fully
And she gon' eat me just 'cause how I'm lookin'
Dreads hang low, how they lookin', like
I might give her a ten, look
Shittin' on bitches again
Shakin' her hips, goin' in
She a baddie, with her friend
Let her do what she do
She feelin' good, do not fuck up her mood
I-it get tact, just watch how you move
New chop kick like it got a boot

I like how you look in them jeans
Might go and just get a Celine
We ballin', this shit not a dream
Like Spalding, this shit showin' green
I-I make it happen, for the team
Dior fabric, lookin' clean
She actin' bad, I get to clappin', like
All you gon' hear is her scream

Okay, that nigga, he late
Off the Migos she gon' take off with me
O-o-okay, look both ways

Shorty a cutie, might slide first base
Put the tat on the booty
It's a booty, it's a beauty
Let's get into it, shit wet, like Jacuzzi
My guns being choosy, got guns, Call of Duty
Money in my pocket, he ain't fit in Ksubis
Doing myself, don't need no army
If you need me, just come call me
What-what-what, tryna fuck-fuck-fuck
Brrt, buh-buh-buh, got sticks and drums
My favorite style, yeah shit be doggy
Offer dick, yeah, dick you froggy
Huh-huh-huh, you a slut-slut-slut?
Made her cum, actin' bad for what?

I like how you look in them jeans
Might go and just get a Celine
We ballin', this shit not a dream
Like Spalding, this shit showin' green
I-I make it happen, for the team
Dior fabric, lookin' clean
She actin' bad, I get to clappin', like
All you gon' hear is her scream

Put the tat on her booty (Put the tat on her booty)
Put the tat on her booty
It's a booty, it's a beauty
Wuh-wuh-wuh-wuh (Put the tat on her booty)
Brrt, buh-buh-buh, wuh-wuh-wuh (Oh)
