

All Alone

B-Lovee

Grrah

Like

Come with me

(Damn, we tryna get jiggy)

I've been lonely, I'm tryna get you to come over (Like, I'm tryna get you to come over)

I don't care where we at, let's get right on the sofa (Like, let's get right on the sofa)

I'm like, "Girl, you smell good, I'm just tryna get closer" (Girl, I'm just tryna get closer)

In the field with it on me, girl, I'm not a loafer (Keep it on me, girl, I'm not a loafer)

I've been lonely, like, baby, come here (Come here)

Let me whisper somethin' in your ear (Somethin' in your ear)

Let me tell you why I always stare (Why I always stare)

If she said she want it, I'm like, "Here" (I'm like, "Here")

I'm a lover boy, I'm not a sucker (I'm not a sucker), I keep it P, I hope I made it clear (Made it clear)

She a baddie and she with her friend (Her friend), both look good, so I never compare (I never compare)

Slide out (Slide out)

You see me uppinn' the stick when I pop out (You see me uppinn' this blick when I pop out)

We see the opps and we stay tryna rock out (We see the opps and we stay tryna rock out, grrah, grrah)

How they gon' hide and we right at they hideout? (Right at they hideout, grrah)

I'm doinn' it good, she like, "Baby, time out" (She like, "Baby, time out")

I see why they- (And I see-)

She want me to cuff her right after I hit it, I see why you- (Girl, I see, uh-huh)

Oh, you want me to hold you? Know what I told you, see why you- (Oh, you see what I told you?)

Strapped up when I'm by myself, I'm still never- (And I'm still never lackin', baby)

Damn, don't stop (Don't stop), keep goinn', keep goinn' (What else?)

I'm never lonely when I'm in the club, got my pole in (What else?)

I'm with a thottie, her pussy wetter than a Poland (Nigga, what else?)

And if I see an opp, I'ma shoot my shot like it's open (What else?)

And I'm fully focused (What else?)

I just hope you notice (What else?)
Baby girl, you got that flower power, so I call you lotus (What else?)
I ain't mean to stroke it so hard (What else?), but that thing was pokin' (Nigga, what else?)
Wetter than an ocean, that pussy creamy just like lotion (That pussy creamy just like lotion)

I see why they- (I see why they-)
She want me to cuff her right after I hit it, I see why you- (I see why you-)
Oh, you want me to hold you? Know what I told you, see why you- (I see why you-)
Strapped up when I'm by myself, I'm still never- (Damn)
Like, damn, I see why they- (And I see-)
She want me to cuff her right after I hit it, I see why you- (Girl, I see, uh-huh)
Oh, you want me to hold you? Know what I told you, see why you- (Oh, you see what I told you? Yeah, I know)
Strapped up when I'm by myself, I'm still never- (And I'm still never lackin', baby)
