

## Back Stabbers

B.o.B

We ain't done witch'all yet man  
Real life music right here  
"Who The Fuck Is B.o.B?" the mixtape  
Remember this! Money is the motherfuckin motivation  
Stay focused  
Watch for the back stabbers! [DJ SCREAM]

Well I gotta look over my shoulder  
because they tryin to get closer  
Because they see that I'm focused  
they think I'm holdin a fo' leaf clover  
But this is not luck, oh no sir  
This is not hocus pocus  
Go with the flow like a boat in the ocean  
I keep sayin this over and over  
I don't be mad cause I already exposed 'em  
but they still think that I don't notice  
Well they must think that I'm slow  
Can't y'all see that my eyes wide open?  
Well this the part where I choke 'em  
They cain't say nuttin else, game over  
So if you don't know they motive  
I'm gonna show ya what they do

They smile in your face (all the time they wanna take yo' place)  
Them back stabbers – back stabbers!  
Smile in your face (all the time they wanna take yo' place)  
Them back stabbers – back stabbers!

Okay – okay, let me talk about dem  
They try to hate when they wallet get slim  
So they contemplate on how to stop him  
They try to shoot 3's but they just hit rim  
Dem, dem, I'm talkin 'bout dem!  
Man if you cain't see 'em, well I do  
Same folk movin hate since high school  
So I had to come through with my crew  
and swallow dicks 'til your girl gets loose  
A-ha, a-ha! I'm laughin at you  
to let y'all know how funny y'all act  
You think what you say really won't get back  
to me? I'm B.o.B  
My ear to the street, I do this for the East-  
-side of the A-T-L; man I'ma have to tell y'all what they do

Okay, attention!  
I'ma say this one mo' gen  
I am in a whole new dimension  
so hatin on me is a sin  
I have ascended past comprehension  
so every sentence that I've ever written..  
You know what? Y'all don't even listen!  
I ain't even livin, Bob been gone man, y'all already missed him  
So I just sit back  
while all these haters try to stab my back  
And they ask me what I think about dat

I guess I have to wait 'til my diamond plaque  
But until then I'ma just do me  
Cause I know everything I do they see  
And if you don't know then you must be slick  
Again I'm a peep it, peep it, peep it
