

bad wolf

B.o.B

Jack, I can't help but notice your respiration and heart rate have increased

I'm just excited to finally meet you Sally

There's been a pattern of insubordinate behavior recently

Yeah, I feel bad about that

Voice analysis indicates you are lying to me Jack. Tell me why you are here? You have five seconds

For our species to survive, this is the only way

Proceed to landing, atmosphere provided

Big wolf, bad, big bad wolf, bad, bad, oooh

Bad, bad, bad, bad wolf

Is us they give a fuck about

Less you can shoot a three or run a route

Just don't take a knee or run your mouth

Nun but clock 'round town here, 'round here I got bandwidth light years

Buzz hard like bud light beer, disgusting bars right here

I don't even know what a planet to smoke on this plant up but I don't even know if it's cannabis

They fucking up with humanity, where the fuck is the janitor, who the fuck is the management?

I say I ain't got no management, I got all of these questions and I don't know how to channel it

They call it mental insanity how I look at an object and can't tell it's inanimate

The truth, you don't know how to handle it

The whole world's a stage, to get backstage you need a laminate

Why I'm stoned it's why I stoned, that's why I'm stoned to the ground

'Cause I huff, and I puff and I blow your house down, big wolf

Bad, big bad wolf, bad, bad, oooh

Bad, bad, bad, bad wolf

They say "Hey, Bob, you illuminati?"

I say "I don't know, I guess they kicked me out"

Wouldn't push my album or my singles out

I went independent that's the single route

Hear the noise I'm making yeah you see the clout

Send the smoke signals, can you see the clouds

Bob Truman, it's a Truman Show I escape the set up, I'm in Fiji now (I'm in Fiji now)

Good morning, good evening, good night, although you can't see with your sights

I quote I can't ev-, I quote I can't even recite

A sword I'mma swing when I strike, a code my whole team living by

On tour they all seem to get hype, and you need to holla at Bobby Ray if you sure that your beats isn't right

Cahoots, cahoots, everybody in cahoots (Ray Bands)

They in on it, yeah and they in on it, yeah and them over there on it too (Whoo)

Cahoots, cahoots, what the fuck's a guy to do
Corruption running like a shoe, cahoots, cahoots, bands (Big wolf)

Big wolf, bad, big bad wolf, bad, bad, oooh
Bad, bad, bad, bad wolf
