

## Bobby Ray Intermission

**B.o.B**

My name is Bobby Ray  
And this my side of the mixtape  
The songs that you are about to hear  
Naw I'm just jokin, heh heh  
My name is Bobby Ray  
I am the guy, that plays, B.o.B  
I am the guy, that you see on the TV screen  
That... B.o.B is like my alter ego  
And you know this side, this, this mixtape  
is to truly, get you to understand  
who I really am, and the music, that I really make  
The sound that I have been crafting for years  
from doin open mics, to doin arenas  
To goin right back, to venues, gettin stared at  
You know, just everything  
Everything that I've been workin on, I've put it, into songs  
And now I will share them with you for free  
I'm doin this STRICTLY, to give you music  
That's the only reason I do it  
So without further adieu, I introduce to you  
Bobby Ray
