**B.o.B**

It's Raven on my bucket list  
I'm on 3 different substances  
It's a shame how all that money  
Still can't camouflage that sucker shit in you  
That, that, that, that sucker shit in you  
That, that, that, that sucker shit  
They build a hood  
Then nigga-fy it  
Then gentrify it  
Before you realize it  
Then break it down  
Then then rebuy it  
It's a vicious cycle, identify it  
It's true

(All you do is)  
Suck my dick, but first brush your teeth  
(All you do is)  
Brush your teeth, and suck my dick
