Cold boy  
This beat cold boy  
Greatest story ever told boy  
30 million records sold boy  
Must live by the code boy  
Especially if you a dope boy  
Where you get that Coogi sweater?  
Your momma think you sellin' soap boy

Watch out for them hoes boy  
Make sure you crease and fold boys  
The streets out of control boy  
This shit just like Game of Thrones boy  
Ain't no new hoes, these hoes been hoeing'  
Ain't no new grow that someone been showin'  
In that two-door, that hoe tip-toein'  
She heard my new song, she tryin' to feel on me  
Where you get it? "I don't know." You a liar  
You a THOT. "No I'm not." You a liar  
First day at the job, you applied  
At the desk, selling 2 for the 5  
Play a role, you on parole boy  
Quit talkin' on the phone boy  
Don't ever let them see you slippin'  
They catch you as a minor, they gon' try you as a grown boy  
5-10 if you 10, that shit cold boy  
They can't smell it when it's cold boy  
Pharmacy the real dope boy  
Come back later, kitchen closed boy

Hopped up out the bed, got some head right before  
Gassin' up the muscle, '67 steroid  
Prescriptions in my backpack  
I'm so high I'm having flashbacks  
Got a half a pound on the way in the Uber  
Cost a couple bands, plus I threw in a tuba  
Cutie pie for me, a cutie pie for my shooter  
Two Dominican bitches that just flew in from Sosua  
Ooh this loud, where you get it? "Parking lot."  
How much is it? "I don't know, not a lot."  
Uh, I got more, plenty more, at the spot  
I can't walk with too much, them hoes is hot  
Try and look sober for my mom and them  
But I smoked it with my uncle then  
Just lookin' for a come up  
Yea, I was flexin' in them struggle Timbs'  
Flexin' in them struggle Timbs'  
Flexin' in them struggle Timbs'
