

# Fly Like Me

B.o.B

Ah-hah a-hah! Ehehehehe  
I'm just doin my thang man  
But they can't do it quite like me  
Cause they not like me

I put my shoes on like ya, my shirt on like ya  
My jeans on like ya, but I ain't nothin like them  
Put my shades on like ya, set my rims high like ya  
Keep a bad bitch like ya, but I ain't nothin like them naw  
You - cain't be - fly - like - me (ayyy) [3X]  
Cause you - just - ain't B.o.B

Aight look  
Jam out  
I... pull up to the parking lot  
Tinted windows on the car ain't stock  
And you already know how I do it when I do it  
When I hop up out the car they stop  
Straight pimpin in my LRG  
Creative wreck on my feet  
So ev'rybody looking at my toes as I creep  
Quit lookin cause you ain't got these  
I talk it, how I, wanna, talk it  
Y'all already what the pen is for  
Soon as I hit the club  
Ev'rybody crabbin on me cause they wish they was  
I wish I could, go back when  
Back when I didn't get too much  
To show y'all haters how I came up  
when y'all label it love  
So I get fresher, deffer than you  
You cain't be me, don't thank you could  
Yeah Eastside, Hemp Squad on deck  
Straight up slangin dat wood  
Handle dat good; man you can have that back  
Grippin woodgrain like Cadillac  
I see yo' Charger, bet mines harder  
Whippin that black on black

Ah ha, a-hah! Yeah... look  
Well I ain't nothin like y'all  
Stay fresh from Winter to Fall  
And y'all already know how I move when I move  
when I come through the do' they pause  
Lookin fresh in my Moschin'  
With them Academik jeans  
With them Oakleys on my face  
I can see you but you cain't see me  
Cause I walk it, how I, wanna, walk it  
Y'all already know I'ma let them hang  
Soon as I hit the stage man  
I get thangs shakin like a 8 point 8  
And to this day, I don't play  
I came from the struggle so I'm 'bout my pay  
I want them marble countertops  
Forget them paper plates!

Cause you not me and I'm not like you  
A whole bunch of real players in my crew  
But nowadays e'rybody so fake  
that you can only trust a few  
Think I'm talkin 'bout you? Well then I probably am  
If the shoe fit put it on yo' foot  
Yeah, Eastside, Hemp Squad on deck  
Straight up slangin that wood
