

# Fool's Gold

B.o.B

First they dropped Covid, then they dropped Kobe  
Ever lost a loved one? I send my condolence  
Curve won't flatten, it got osteoporosis  
I see the thru the bogus, then I roll a (Then I roll a)  
Roll a stogie, tighter than ya Clothes is  
All I see is red flags, I feel like a postman  
All the right actors in all the right poses  
If I ask for hookah, tell me where the hoes is  
They told me I grow up being entrepreneur hey  
Who woulda thought that meant sitting in front of computers hey  
I'm bout my bread and my cheese like a charcuterie tray  
Came from the future, should've been born sooner, ah

Stay inside where it's safe (Return to your homes)  
In the hood niggas die every whichaway  
They just tell when to come when to stay  
Ya dirty ass shudda washed ya hands anyway

Wife the bitch that y'all thought that I was gonna fuck over an  
yway  
And she still fuck you anyway

(Apologies there appears to be data corruption)

Fools, foolish, foolio  
Is it sacred geometry, or is it computer code  
Either ya own master or slave to this future hope  
Is really progress or slavery 2.0?  
Ice wall cube to keep the computer cool  
Processors over heated had to stop do a full reboot  
Technology do the same thing your body do  
They drop some VR goggles motherfuckers like Oooooo

Stay inside where it's safe  
In the hood niggas die every whichaway  
They just tell when to come when to stay  
Ya dirty ass should've washed ya hands anyway
