

# I Am The Champion

**B.o.B**

Incredible! Incredible! Oh my God. Ladies and gentlemen you have just witnessed world history being made, Bobbie Simons, takes it to the hole, dunks it, overtime three seconds left, oh my God! Yeah!

I am the Champion (champion, champion)  
I am the Champion (champion, champion)  
Lights Cameras action (action, action)  
Whenever I play  
I say. I am the champion (I am the champion)  
I am the champion (I am the champion)  
I say I am the champion (I am the champion)  
I am the champion (I am the champion)

Okay Bob hit the stage now  
Lights and cameras on  
Yes I'm givin them want they want  
But no I will not ever conform  
Cause I'm outside of the norm still  
What a spectacular form  
From the blood sweat and the tears shed  
Every time I perform

And whenever your doin your thang  
Yeah people gonna hate use it, that's right  
Man him just as human as you  
I just look good while doin it  
And they telling me I have so much dope I wont know what to do with it  
Well until then, I'm gonna continuin numerin.. because

I am the Champion (champion, champion)  
I am the Champion (champion, champion)  
Lights Cameras action (action, action)  
Whenever I play  
I say. I am the champion (I am the Champion)  
I am the champion (I am the Champion)  
I say I am the champion (I am the Champion)  
I am the champion (I am the Champion)

I look in the mirror and laugh  
Like look at what I've become  
Everyone calls me Bob but  
I'm still my mother's son  
And I'm low key when i'm out now  
Hell no fame aint fun  
But I stay live like NBA on yo playstation  
And I entertain cause I'm in the game  
Man it's easy to see I aint into fame  
Cause I aint  
And critics say that I imitate  
But I really can't  
Please allow me to demonstrate  
But no matter what they say  
I stay charged up like a triple a  
Really mayne?  
Really mayne!

I am the Champion (I wake up and piss excellence)  
I am the Champion (All day)  
Lights Cameras action (Please hold your applause)  
Whenever I play (I'm kind of a big deal)  
I say. I am the champion (I am the champion)  
I am the champion (I am the champion)  
I say I am the champion (I am the champion)  
I am the champion (I am the champion)

It seems like the crowd is pandemonium!  
This is pandemonium!  
The crowd is rushing the court  
And it seems like they're turning to them..  
What?! What?!  
Can we get audio?

Hoo hoo you be too scared you need to go home  
Hoo hoo you be too scared you need to go home  
Hoo hoo you be too scared you need to go home  
Chea you need to go home  
Chea you need to go home

I am the Champion (champion, champion)  
I am the Champion (champion, champion)  
Lights Cameras action (action, action)  
Whenever I play  
I say. I am the champion (I am the champion)  
I am the champion (I am the champion)  
I say I am the champion (I am the champion)  
I am the champion (I am the champion)

Whenever I, Whenever I play, play (2x)
