It's funny how I can show y'all niggas somethin'  
Somethin' more than just coon and Ebonics  
Somethin' iconic you call that demonic  
I guess niggas run from the truth or confront it  
Niggas don't see me till' I get the stuntin'  
And flauntin' this money  
You're both of a culture that's mentally [?]  
The murders a constant our houses are haunted  
With pain we need codeine and weed just to numb it  
Deep in our conscious we know that there's something  
More than they teach us way more than we're promise  
Stay head of my time I'm just holding my luggage  
I hope shit get better before it gets ugly again  
Man I'm straight out Atlanta like Coke in yo buggy  
A mirror of ballers that ain't got no budget  
It feel like Atlantis before it got flooded

Wait till' I get that band  
Wait till' I get that home  
Wait till' I get my money right  
Wait till' I get put on  
Wait till' I get that band  
Wait till' I get put on  
Wait till' I get my money right  
Wait till' I get me a home

Wild nigga lifestyle, wild nigga lifestyle  
Wild nigga lifestyle, wild nigga lifestyle  
Wild nigga lifestyle, wild nigga lifestyle  
Why a niggas lights out ain't no turning down  
Wild nigga lifestyle, wild nigga lifestyle  
Niggas out here going broke for the wild nigga lifestyle  
Wild nigga lifestyle, wild nigga lifestyle  
Niggas out here going broke for the wild nigga lifestyle

Imitator  
Broke niggas fakin' rich nigga behavior  
Fuck up a check just to be twitter famous  
Niggas switch up on they friend for the paper  
Shit look at Kobe he still wit the Lakers  
I wake up and say a real nigga prayer  
Looked in the mail I just got my advance  
Why I'm at the dealership three minutes later?  
I fuck up a M

Don't fuck up my trim  
What you expect?  
When you run from cops yo whole life  
It ain't shit just to run through a check  
In the [?]  
Now you press  
Niggas dying  
Just to dress, guess that's why it's called fresh to death  
Nigga let yo wallet catch a breath  
But instead you goin' stunt on yo ex

When I get my band  
Wait till' I get that home  
Wait till' I get my money right  
Wait till' I get put on  
Wait till' I get that band  
Wait till' I get put on  
Wait till' I get my money right  
Wait till' I get me a home

Wild nigga lifestyle, wild nigga lifestyle
