

## NINE LIVES

B.o.B

All these weird gadgets, think they'd give me a radio

What would you like to hear?

What the hell was that?

I'm the voice of [?] industry 2000s microprocessor, KITT for easy reference

Night rider but I call your bitch the pipe rider

Serve boy about a white powder in a ninth hour

RKO pile driver, RKO pile driver, on the pussy, she keep looking she keep looking like it, she can climb towers

[?] towers, twin towers, fuck her to the tenth hour, she done brought a friend with her I call that a twin power

Even if they real sisters, I'm about a light [?], juuging on these hoes I ain't talking white powder, bandz

Juuging, juuging, juuging, juuging, juuging

Finesse, finesse, finesse, finesse, finessing

Stickin', stickin', stickin', stickin', stickin'

Rollin', rollin', rollin', rollin', rollin'

Juuging, juuging, juuging, juuging, juuging

Finesse, finesse, finesse, finesse, finessing

Stickin', stickin', stickin', stickin', stickin'

Rollin', rollin', rollin', rollin', rollin'

[?] the dark side of the moon

Hang dynasty

Dark sider, I'mma pull up in a dark spider

She show me the apple bottom I'mma give her hard cyder

Hard breathing like a Darth Vader on a ventilator

Had a light saber since a ninth grader on my block, block

You the storm trooper with a shot

Synthetic storm brewing in the sky, equinox

Give me neck, give me mouth, give me [?] pie

Low key I'm a variant, a human nebula

Juuging, juuging, juuging, juuging, juuging

Finesse, finesse, finesse, finesse, finessing

Stickin', stickin', stickin', stickin', stickin'

Rollin', rollin', rollin', rollin', rollin'

Juuging, juuging, juuging, juuging, juuging

Finesse, finesse, finesse, finesse, finessing

Stickin', stickin', stickin', stickin', stickin'

Rollin', rollin', rollin', rollin', rollin'

[?] the dark side of the moon

KITT for easy reference
