She give me mad cabeza now she always make me tacos
In and out the top floor she be coming out the gacos
Sliding in chancletas, on the beat she is a model
Okay you a bruha what's a bruha to a bato
Saw her talent, turned her to a champ I'm [?]
Me and her be dodging a cinquenta that's that 5-0
Started with my luxury underground I feel like Pablo

Put that bitch to sleep when it's noche
I got mucho dinero on the messa
In mi cassa with my migos drink cerveza
Got the finest mamacita on my red eye

Feet up bitch I'm counting my dough
