

Slizzy Sity

B.o.B

95 in the 60 the way you ride
Ima give you all yo fantasies
I ain't worried bout them panties, pull it to the side
Ima give you all yo fantasies

Make you feel something that you didn't know
I see your water drip, you making it float
I'll give you this love, you know it's nothing like
You know tonight I'll treat your body right

95 in the 60 the way you ride
And we smoking on that good weed, going high
Gotchu living out yo fantasies
Give you everything that you wanna need

Yea, that's a side
She be on that brown, she on white
Slizzy Sity, she gon take a ride
She a good girl til the night
That's a side
She be on that brown, she on white
I might pop a bean, she gon try it
Paper planes floating, she so high
And I can't lie

Truth or dare, maybe I should ask you more
Or maybe it be crazy if ya clothes came off
Truth or dare, maybe I should ask you more
Or maybe it be crazy if ya clothes came off

95 in the 60 the way you ride
Ima give you all yo fantasies
I ain't worried bout them panties, pull it to the side
Ima give you all yo fantasies
