

# So Blowed

**B.o.B**

I said I'm ready for the weekend  
So you know what it is  
Little love but it's seasoned  
We gon roll up again

I wanna get high, so blowed tonight  
I wanna get high, so blowed tonight  
So hiiiiiiiiiiiiiiigh  
So hiiiiiiiiiiiiiiigh

Chillin in the backseat  
Everything loud  
We walkin the door and they reachin forward, they can't ignore  
Sparkles on the bottles, girls going wild  
A night like this won't end so fast, I could

I wanna get high, so blowed tonight  
I wanna get high, so blowed tonight  
So hiiiiiiiiiiiiiiigh  
So hiiiiiiiiiiiiiiigh

Buckle your seatbelts, enjoy the ride  
This is a mission for the missin, information's advised  
Ladies, come with me and then take it easy  
Here's a bleezy for you and your friend, I light it up  
All I know is that we bout to get blowed  
You'da sit knock back  
Now baby girl let's roll, I let my mind go with the whirl  
But then blaze up the change up  
The game up, raise up  
Finaleave minor league, now I'm living major  
Sittin on smoke alarms like the sky pager, Ali and Fraser  
Smoke rains appear, the king is here  
Power to the people

I-I-I wanna get high, so blowed tonight  
I wanna get high, so blowed tonight  
So hiiiiiiiiiiiiiiigh  
So hiiiiiiiiiiiiiiigh

I wanna get high  
So blowed  
I wanna get high  
So blowed, so blowed, so blowed, so blowed  
So blowed  
I wanna get high  
So blowed  
So hiiiiiiiiiiiiiiigh  
So hiiiiiiiiiiiiiiigh  
Hiiiiiiiiiiiiiiigh  
Hiiiiiiiiiiiiiiigh
