

The Boundaries

B.o.B

And I know, and I know...
And I know that I can't hold can't hold no bad bitch back
Bad bitch gonna go do what a bad bitch gonna do
Bad bitch gonna do what a bad bitch gonna do (ooh)
Bad bitch gonna do what a bad bitch gonna do (huh)

These streets are made of these
Who am I to disagree
Travelled the world but I rep the E
Everybody thottin' for something

Give a fuck about the fame
Money come and people change
Everybody ain't your twin
Even every twin don't look the same
Hypnotized by the chains
I don't fuck about the fame
I ain't phased by the business
You either in it or you ain't
That lil bitch is not my lover
She's just someone who's tryna find her some fun
But if she bad, we gon ball
Running round, running round
She gonna dance, 100 bandz
On the ground, on the ground

These streets are made of these
Who am I to disagree
Travelled the world but I rep the E
Everybody thottin for something

And I know that I can't hold won't hold no bad bitch back
Bad bitch gonna go do what a bad bitch gonna do
Bad bitch gonna do what a bad bitch gonna do
Bad bitch gonna go do what a bad bitch gonna do

And a sucker gon wish he can do what a real nigga does
And some women can't take no D without falling in love
Some niggas drink off my women that's married with us [?]
But you know we don't judge (yeah)
Got boundaries, can't take no bitch shopping
Got boundaries, can't do no TikTokin
Can't be your side nigga, I'm retiring
Got goons round here, I don't do no boxing

These streets are made of these
Who am I to disagree
Travelled the world but I rep the E
Everybody thottin for something

And I know that I can't hold won't hold no bad bitch back
Bad bitch gonna go do what a bad bitch gonna do
Bad bitch gonna do what a bad bitch gonna do
Bad bitch gonna go do what a bad bitch gonna do

Got boundaries, don't do no TikTokin
