

Thick Skullz

B.o.B

Wit my thick bitch
Blowing thick smoke
Tryna kick shit
To these thick skulls
Got a thick knot
Got fit goals

Got a thick list
Full of lit goals
My shit list bout

These flimsy rappers

She got thick spit
When she deep throat
I'm thick skin
Imperturbable
Got 10 thicks
And they Nymphos
We drink Reposado
We sip gold

Bout to reload any minute
Undercovers keep paying me visits
Tryna catch tid bits
Catch a pic-pic
Bitch thick dick
On ya snitch lips

Need a fit bit bit bit bit bit
'Cause they following a nigga

Keep a watch on the info I disclose
They like almost we had em we this close

You a dimwit I'm a misfit
You a big bitch
Wit a thick lisp
My screws loose

Disclosures a bitch wolf in sheep's clothes
Nigga be dissing behind closed doors
I don't write a diss I write a dystopia
Xenophobia overflows like a cornucopia
My flow like methadone in a world gone
Overdosed on opium

Talking hidden figures

Tried to steal my style now that brother gone nigga shibber dipper
They be bitter
I stay booked like literature
They be yapping that gibber gibberish
