

I can feel mine  
Roll the tree mind, yeah  
Of them buckets, straight like f\*cking, yeah  
Riding dirty, skrrting purdy, yeah  
She brought a buddy, she brought her for me, yeah  
Slow, drive slow, drive slow  
I see some people come I seen some people go  
They never know for the Drive slow, drive slow, drive slow

Shit jumping  
Jumpman Jump Jump  
Jumpman Jump  
Shit get jumping  
Roll up if you only got another thing comin'

Just a youngin tryna get into something  
Looking for whatever spot is jumping  
Just a youngin tryna get into something

Looking for l-looking for whatever spot is jumping (Hey whatever!)

on jump, yeah  
Still the same thing from the jump, yeah  
No leaving no calls, yeah  
No handouts you eat what you hunt, yeah  
Upbreed from the slums  
If you start out to too lit, you burn out when you young  
If I say I got shrooms she gon' stick out her tongue  
Bitches gon' jump  
Met this lil bitch from the islands or something  
Smart as they come

I tried to get at her She said she was done  
She fed up with niggas, they stupid, they dumb  
I say you probably right  
But why all the smart girls dig the ignorant ones

Shit jumping  
Jumpman Jump Jump  
Jumpman Jump  
Shit get jumping  
Roll up if you only got another thing comin'

Just a youngin tryna get into something  
Looking for whatever spot is jumping  
Just a youngin tryna get into something

Looking for l-looking for whatever spot is jumping (Hey whatever!)

I said I'm chillin' with my dawgs  
What's up hoe we hot?  
Niggas always gon' hate  
That's why I got niggas thats gone pop it  
This shit ever hits the fan  
So therefore I pray that it does not  
I just want to fall through the club  
And fall through the spot

Fa-Fa-Fa-Fall through the spot

Just a youngin tryna get into something  
Looking for whatever spot is jumping  
Just a youngin tryna get into something

Looking for l-looking for whatever spot is jumping (Hey whatever!)
