

# Real - Wake Up Light Another

B-Real

Ref.

I'm a blunt, get smoked, and I can't wake up!

I'm a blunt, get smoked, and I can't wake up!

I'm a blunt, get smoked, and I can't wake up!

I'm a blunt, get smoked, and I can't wake up!

You're light, when at night, when they drug me like the Buddha  
You say I'm the joint, you can call me hooda.

Computer wizard, the mucho scissors

Cut me up and smoke me, blow me up like a blizzard!

Surely, you said so, long stop the sway

Your pipes get crowded,

Fuck it, complain about it!

Me is pumping, bring an opponent

You can suck on it,

Shit, I know you're...

I know you're filthy effects, suck the huh

I know the filthiest of the huh

Want the filthy effects of the huh

Brother!

Took me in a bamboo witches to take that

To end it like brother, he wants the...

It's another lyrical, puff it!

Don't take off, the height or take off

Wait to put the smoke on, wait until I get on

The turn on, the fact choice

Wanna hit that choice, here is the fact

Bring the bubble in that point!

Up the hot time, you get the...

Suck through the pipe line, sit back and...

I'm a blunt, get smoked, and I can't wake up!

I'm a blunt, get smoked, and I can't wake up!

I'm a blunt, get smoked, and I can't wake up!

I'm dreaming about being a blunt!

You're smoking ...

Yes, of course we are, can't you smell it?

You're saying I can't!

Come on, Julie, join the party!

No, Julie! You don't want this!

Get out of here!

No, I don't want no pain, no rough,

Can't get no pain on!

It doesn't give you hangover!

I'll get addicted to it.  
It's not happened for me!  
I don't know, I don't want to overdose, homie  
You can't hold ...on  
It's not for making...  
It makes sexy the better  
Sounds kind of expensive!  
It's the cheapest drug there is!  
Got weed, got blunt!
