

Ooh, yeah
I promise, I got you
If you just wanna up and leave me tonight
Promise you don't need the streets tonight

I can't make this shit up, no, that shit fake
Everything I like, well, tell me that you love me back
All my doors, they lift up, watch us make this movie
[?] how fast will she screw me?
Ooh, well she the baddest... in the room
My niggas balling, you can see [?] this chick's on me [?]
How bad will she do me? Yeah
Quit, playing, sonny

If you just wanna up and leave me tonight
Just tell me, can we fuck at least three times?
Promise you don't need the streets tonight
Just promise you don't need the streets tonight

Don't want you to leave [?] fall asleep
She like it nasty, doggie, I'm off the leash
Just put on [?] we did it in threes
We did it in threes and I promise, I got you

Then I'm [?] up, in the handcuffs, don't set 'em in
[?] that extra shit, oh no, my specialist
Shorty you know I'm stressing it, you know the game, we having
it, uh
Hold up [?]

If you just wanna up and leave me tonight
Just tell me, can we fuck at least three times?
Promise you don't need the streets tonight
Promise you don't need the streets tonight

Ooh, that shit [?]
Everything I like, tell me that you love me back
That shit [?]
Everything I like, tell me that you love me back
