She looks die dead in the eyes
And said boy you just don't know
You don't know how much I
How much I wish you'd show
Show me that I'm different
I'm the one you missing
Girl I can't say your wrong or your right
Let's just see where this shit goes goes

She said
I been out
On her mind
Driving her crazy
I keep her round
All the time
Cause she my
Favorite
I know you know
All these hoes tryna get chosen
And your tryna be open
Yeah yeah

Don't be so
Don't be so cool
She said it could all be so simple
If you let me show you that I'm worth you
(Show you that I'm worth it
Show you that I'm worth it
Don't be so cruel
Show you that I'm worth it
Show you that I'm worth it
Don't be so cruel
She said lemme show you that I'm worth it
Show you that I'm worth it
Show you that I'm worth it
Show you that I'm worth you
Show you that I'm worth it
Show you that I'm worth it)

Can't you see I'm insecure
I done seen too many go down this road
Girl I know you heard it all before
But this lifestyle you just don't know
It done turned me so cold
So I'm hoping that you listening
Don't you say that I be tripping
Say you wanna be apart of my life
Let's just see where shit goes

She said

On her mind
Driving her crazy
I keep her round
All the time
Cause she my

All these hoes tryna get chosen
And your tryna be open

It could be so perfect
Baby why you acting nervous
Tryna prove your purpose
Cause every time you hit my line
Be there in a hurry (baby)
Baby all we got is time
Don't speed up the journey
All them late nights in the lab
Tryna make a stab
I'm just tryna dunk
She just wanna lay up
And all these diamonds on me cold
Hard not to be cool
Don't get distracted by these hoes
I won't be no fool
Uhh yeah

She said it could all be so simple
If you let me show you that I'm worth you
