Oh sexy oh, oh
You're so sexy, oh, oh, tonight, baby
Oh, oh, I'm getting' that

And the way the Shawty's swaging the room,

Feeling that inner state, I can't concentrate
Cause the way she feels!
Let me below! I just gotta be low!
Pull 'em over to the side
So you can really enjoy the ride!
I just need to know you're prepared for this unruly love
Cause you know I'll be on my' 89.
For real down!

Oh, oh, I'm getting' that
Oh, oh, I'm getting' that
I'm getting' that love!
Oh, oh, I'm getting' that
Oh, oh, I'm getting' that
I'm getting' that love!

It took so long to get us two in a room
You already know what I wanna do to you
I'm offering to get out first, now you
Let the violins play!
Wanna take off your lace!
Look at your face!
While I

Oh, oh, I'm getting' that
Oh, oh, I'm getting' that
I'm getting' that love!
Oh, oh, I'm getting' that
Oh, oh, I'm getting' that
I'm getting' that love!
