

## Go To Work

B. Smyth

Yeah, uh, yeah

You go to work

Yeah, then she straight back to the crib

Yeah, she just like my dessert

Yeah, I swear her face is sweeter than a bitch

She just what I deserve

Serve me up nice

Let my baby go berserk (Doin' it)

Keep doin' what I like

It's on sight, yeah

Oh, I've been waitin' on it

Get home, I understand Go ahead and call me up

I'll make my way over I'm on the way

You go to work

Yeah, then she straight back to the crib

Yeah, she just like my dessert

Yeah, I swear her face is sweeter than a bitch

She just what I deserve

Serve me up nice

Let my baby go berserk (Doin' it)

Keep doin' what I like

It's on sight, yeah

Ooh, yeah, know I love these ladies like I'm Cool J

Ice you out tomorrow that's a cool day

You came over Friday, now it's Tuesday

I don't fuck with people on Tuesday

I been waiting on her to get home, I understand

Go ahead and call me up

I'll make my way over

You go to work

Yeah, then she straight back to the crib

Yeah, she just like my dessert

Yeah, I swear her face is sweeter than a bitch

She just what I deserve

Serve me up nice

Let my baby go berserk (Doin' it)

Keep doin' what I like

It's on sight, yeah
